Mr. Sheldon telephoned me today to say that he wanted a memorandum from the Director to General Goodpaster on Soviet jamming of major US broadcasts as well as what was being rebroadcast to Soviet Russia by Moscow. Attached is what I hope will fill the bill. Incidentally, VOA transmits a daily statistical report on the general problem of broadcasting to a Mr. Al Toner on General Goodpaster's staff.

Mr. Sheldon was not sure whether the Director wants a memo similar to the attached on a daily basis, if warranted, and if so whether he wants it over the weekend. Please try and find out.
